Message from the President

Greetings Supporters, Members, and Trustees,

Welcome to 2022!

I was hoping for a better beginning and better news for gatherings this year. I'm still optimistic that we will be able to get together, but will exercise caution. I must make a determination on a weekly basis. I don't want to get sick and I don't want anyone else to become ill.

Looking forward to 2022, I can't help but be grateful for our supporters, members, trustees, and donors for contributing so generously that we were able to distribute \$72,000 to our Grant Recipients for 2021. I know we would like to increase our dollar amount and are are hoping to hold some events this year to help with our fundraising. Our new Board of Directors are a group of amazing women who are eager to begin helping those children who cannot help themselves and giving a push to those who need help. CCFC has a new website, click here to [Visit our Website](#) a much needed tool to help us. Cyndi Framme, vice-president, is working on recruiting new members. The entire Board is working hard and I am grateful for their dedication.

We are ready to begin the necessary work of raising funds for the children of San Luis Obispo County.

Thanks to everyone,

Marilyn Blake, President

Shoes for Preschoolers

An annual tradition of CCFC is for members to purchase shoes, socks, and a small toy for the preschoolers at the Children's Resource Center. This year CCFC delivered 50 pairs of shoes and socks, each accompanied by a small toy. The children received their packages at their Christmas party. Thank you Jeannette Meek for organizing this event.

The members of Central Coast Funds for Children would like to thank all our members, trustees, and supporters for donating to our winter fundraiser and for donating to CCFC throughout the year and in various ways. The generous support of people like you makes it possible for our organization to continue to make a difference in the lives of at-risk children throughout San Luis Obispo County. Through our fundraising efforts and charitable donations such as yours, Central Coast Funds for Children awarded \$72,000 to 26 local agencies and organizations for 2020. These grants to various organizations in San Luis Obispo County provide for the basic needs of children in our county, including food, clothing, medical and dental care, school supplies, therapy and guidance counseling, camp experiences, enrichment activities, and the arts. Thank you again for your generous donation. We are extremely grateful for your support.
