## Message from the President

Hello Members, Trustees, Supporters and Friends,

I know we all wish this pandemic would be over, but it seems to be sticking around for awhile. It has been a difficult year with so many things we could not participate in...most of all getting together with all of you.

Central Coast Funds for Children will be sending out our fall/winter mailer in hopes everyone will open up their hearts and give generously. We appreciate your gift and I know the children of San Luis Obispo County appreciate it as well.

The Grant Committee will be meeting soon and after we total our generous donations from supporters and grants received, we will be funding as much as possible to our grant applicants.

CCFC is looking for new members that are ready to join a great group of women who help raise money for this great cause of ours. If you are interested in more information please send an email to our Vice President, Marilyn Blake at [mkkoenigs@gmail.com](mailto:mkkoenigs@gmail.com) Let her know you are interested and she will provide more information.

I can't thank you enough for your patience, and your commitment to CCFC. Here's to new beginnings and getting together in 2022.

Take care and be safe,  
Bonnie Kennedy, President

# CCFC is Recipient of CA RELIEF GRANT

CCFC is the recipient of a \$15,000 grant from the CA Grant Relief Program. Governor Newsom signed into law a comprehensive package providing urgent relief for the small businesses of CA. Grants from \$5,000 to \$25,000 were awarded to eligible small businesses and nonprofits impacted by COVID-19 and the related health and safety restrictions. One hundred percent of these funds will be used to augment the amount of money we are able to award to our grant applicants for 2021. We are so grateful to be awarded this grant.

## Gold and Silver Fundraiser

### ***CCFC is sponsoring an ongoing silver and gold fundraiser!***

Items in that jewelry box that you haven't worn in years? Broken or missing pieces of gold or silver jewelry? Sterling silver objects like, spoons, forks or serving pieces?

In 2020, CCFC held a gold and silver fundraiser with our members. It was so successful that we decided to extend it to our supporters. It's so easy! Contact a CCFC member or Corinne Cilli (see link below). We will collect your unwanted silver or gold pieces and Corinne, our chairperson, will be responsible for weighing them, filling out the paperwork and shipping them to a very reputable jewelry supply company that buys scrap silver or gold at a premium rate. Some items may be sold on Ebay for a higher value. We are only collecting sterling silver or karat gold ~ NO costume jewelry.

All proceeds from your donations will help fund our grant

awards this year. All donations are tax deductible and a receipt for the value of the donated items will be provided.

Please email Corinne Cilli to arrange for pick up or drop off.

**Donations will be collected on an ongoing basis throughout the year.**
